

MUSKAN GUPTA

Delhi, India | +91-9311413681 | muskgupta666@gmail.com | linkedin.com/in/muskan-gupta-dev | github.com/muskangupta1304

SUMMARY

CS fresher (NIELIT A-Level) with hands-on experience building full-stack and AI/CV applications. Proficient in Python, React, Node.js, and OpenCV. Dual background in Computer Science and Commerce — strong fit for SDE, ML Intern, or Full-Stack roles.

TECHNICAL SKILLS

Languages:	Python, C++, JavaScript
Full-Stack:	React, Vite, Node.js, Express.js, Flask, HTML, CSS, Tailwind CSS
Data & AI:	Pandas, NumPy, Matplotlib, Seaborn, OpenCV, MediaPipe, Deep Learning (basics), Gemini AI SDK
Databases:	MongoDB (Mongoose), MySQL — queries, joins, aggregations, window functions
Tools:	JWT Auth, Git, Streamlit, Power BI, MS Excel

PROJECTS

AI Resume Analyzer & Career Assistant

React, Node.js, Express, MongoDB, JWT, Gemini AI SDK github.com/muskangupta1304/resume-analyzer

- Full-stack monorepo app with JWT authentication, PDF/DOCX binary parsing, and Gemini AI-powered ATS scoring.
- Features real-time resume builder, skill gap radar, job matchmaking, and glassmorphic analytics dashboard.

Market Gap Analysis Bot

Python, NLP, Jupyter Notebook, Pandas github.com/muskangupta1304/Market-Gap-Analysis-Bot

- AI-powered bot that processes datasets to identify business opportunities and competitive gaps.
- Enables data-driven decision making via automated market analysis pipeline.

CrowdAnomNet – AI Crowd Analytics System

Python, YOLOv8, ByteTrack, OpenCV, Streamlit github.com/muskangupta1304/CrowdAnomNet

- AI pipeline for real-time person detection and crowd density tracking using YOLOv8 + ByteTrack.
- Streamlit dashboard with crowd movement visualisation and one-click analytics report export.

Finger Counting – Real-Time Gesture Recognition

Python, OpenCV, MediaPipe

- Detects and counts fingers across up to 4 hands using MediaPipe Hands landmark detection.
- Color-coded skeleton overlays with hand-aware thumb logic and real-time per-hand summary bar.

EDUCATION

DOEACC / NIELIT A-Level (Computer Applications)

NIELIT | Pursuing

- Data Structures, Advanced Python, MySQL, Computer Networks, Software Engineering, AI & ML Fundamentals

Bachelor of Commerce (B.Com)

Mata Sundari College for Women, Delhi University | 2024

- Financial Accounting, Business Economics, Corporate Law, Income Tax, Business Statistics

CERTIFICATIONS

- Data Analyst Certification – One Roadmap (Jan 2026)
- Python Certification – One Roadmap (Mar 2026)
- Complete Guide to NumPy, Pandas, Matplotlib & Seaborn – Udemy (Dec 2025)
- Intel AI For All – AI Appreciate & Aware Certificates (Jan 2026)

ACHIEVEMENTS

- Volunteer – AI Impact Festival 2025, NIELIT & MeitY (Generative AI & Computer Vision in Healthcare)
- NCC B & C Certificate – National Cadet Corps (2024)
- Certificate of Participation – 78th Independence Day, Ministry of Defence (2024)
